## GO PAVE UTAH

Go Pave Utah is a family-owned company that opened in 1996 in Salt Lake City. They specialize in a variety of construction-related processes such as asphalt patching, paving, seal coating, crack sealing, parking lot paint striping, concrete curbs and gutters. Their goal is to establish lasting relationships with their customers by exceeding their expectations and gaining their trust through the exceptional performances of every member of the Go Pave Utah team. They value quality craftsmanship and are proud to offer excellent customer service. To learn more, visit [gopaveutah.com](http://gopaveutah.com).

## SUMMIT MILLING, INC.

Summit Milling, Inc. is located in Park City and provides high-quality asphalt milling and grinding within the state of Utah and beyond. They service anywhere along the Wasatch Front and Back, from Logan to Springville and in surrounding areas such as Evanston, Wendover and more. They strive to work towards a greener environment through the use of tier 4, state-of-the-art emissions-rated equipment and by supporting the use of 100% recyclable asphalt. Their goal is to provide the most cost-effective and time-sensitive service to their customers and to pave the way to a more sustainable future. ## INTERWEST SAFETY SUPPLY

Interwest Safety Supply, founded in 1977, is headquartered in Provo and is the largest distributor of traffic safety supplies as well as the largest manufacturer of roadway signage in the Rocky Mountain region. Their roadway signs and traffic safety supplies are used to signal, protect, delineate, notify and guide pedestrians and vehicles through roadways and work zones safely. They work with a variety of customers from highway construction companies to city and state government entities to private entities. Their goal is to provide fast and reliable delivery of their top-of-the-line products to ensure roadway safety for their customers and for the community. To learn more, visit [interwestsafety.com](http://interwestsafety.com).
